

Now that The Apprentice is moving to Monday nights and riding on the coattails of NBC's newest hit, [Deal or No Deal](#), the [Donald](#) is doing the right thing and trying to get a viewership boost [from an appearance](#) on the Howie Mandel hosted show.

Of course, being the fun loving guy that I am, and as someone who is always trying to look out for the best interests of Donald Trump, I have decided to make an open offer to [Howie Mandel](#).

Howie, if you can get Mr Trump to pull a rubber glove completely over his head and blow it up on your show, not only will I watch it, **I will donate 1 million dollars to the charity of your choice.**

What could be better than that ? Money for a great cause that you love. For the Donald, the thing he loves more than anything, bragging rights. Is there any doubt that by Tuesday afternoon he would be able to say that he was responsible for the most watched television show in the history of TV ?

Is it possible that any human being on the planet would be able to resist watching Donald Trump blow up a rubber glove over his head ? I dont think so. Combatants around the world would lay down their arms and all enjoy a moment of shared laughter.

I dont have the power to cause the end to wars. If only for a moment. You do Donald.

I dont have the power to create the unquestionable number one moment in TV history You do Donald.

Sieze the moment Donald.

Be a mensch Howie. History awaits you !
