

[This site should be required reading for NBA fans](#)

and more importantly, I hope they offer this service to newspapers who purchase it for every game.

Hopefully 82games will go back and do all the playoffs. Including our Spurs series.

Thanks as always 82games for taking on the topics that all NBA fans talk about and that the media writes about but only you have taken the time to get into detail and publish !!

Like they say on TNT "let the truth be told"
